

KAAP HEALING GARDEN PROJECT

Eagle Scout candidate Bennett Harnisch, from Troop 607, Phoenix, has worked to fundraise for the building expenses to create a healing garden on the premises of Kingman Aid to Abused People. With financial support from family, friends, and community businesses, the basic expenses of the construction have been fundraised by this Eagle Scout candidate, and he will be completing the work this Spring, with the help of fellow members of Troop 607, Phoenix.

The garden is envisioned to both serve as a quiet, reflective space for those seeking help and as a memorial to the original child victim, Sarah, and all victims of abuse everywhere.

As part of the initial fundraising, a small number of tribute bricks have been sold and donors given an opportunity to inscribe them with messages of memorial, comfort, or inspiration.

The future location of the garden.

ADD YOUR MESSAGE OF TRIBUTE, HOPE, OR INSPIRATION AND SUPPORT THE VITAL SERVICES PROVIDED BY KINGMAN AID TO ABUSED PEOPLE

You can help add to the inspiration of the KAAP Healing Garden and support the vital services and outreach provided by KAAP in our community by purchasing a tribute brick. Complete the order information below, and deliver or mail the form with your check payable to KAAP, to: KAAP Administrative Office, 1770 Airway Avenue, Kingman, AZ 86409, or visit <http://mykaap.org> to complete your order and pay the donation online.
